# Music centres

Learning to play or sing in an ensemble is an essential part of a musician's development. For this reason, we operate six music centres that provide a stimulating and enjoyable setting where these skills can be developed. There is a full range of ensembles aimed at students of all levels of ability and experience. Groups regularly put on performances of a high standard in a variety of venues across the county. More advanced players are encouraged to apply for membership of either the North Yorkshire Schools' symphony orchestra, wind band, big band or choir.

For further details, please see [www.northyorks.gov.uk/musicservice](http://www.northyorks.gov.uk/musicservice)

# Payment options

- We are pleased to accept payment by direct debit. This spreads the annual cost over nine monthly instalments. If parents prefer, we can invoice on a termly basis, fees being payable in advance. All fees are collected through our Northallerton office. Please note that our teachers are not, under any circumstances, able to accept payment.
- It should also be noted that refunds will not be given in respect of any pupil failing to attend lessons. Full terms and conditions will be sent with your registration forms.

- Notice to discontinue lessons must be given in writing or by email to the music service. Fees will be charged up to the end of the half term in which we are notified.

- The music service has an instrumental hire scheme (dependent on availability) - this would be discussed with the instrumental teacher. However, it is often necessary to purchase an instrument.
