### Ideas to help support your child:

- Write digits on pieces of paper or card. Shuffle them and take turn to be the caller. Player responds shouting out one more/one less.
- On a hundred square find a digit. Which number is one less? Which is one more? How do you know?
- Can the children write down their answer?
- Say a digit. Circle one more on a hundred square. Say one less and circle the number? How many can you circle in a minute?
