

Autumn Term Extended Task Year 5 and 6

Your extended task gives you nine different options to complete this term. You can choose any of the tasks that you wish to complete but you must choose a different one each time. The list of hand in dates are below, where on each of the dates I expect one task to be handed in that is different from the previous piece. Work should be of a high standard and can be completed as a family if you wish. Of course, if the children would like to do more than four then they can! Please refrain from handing all four in at once. The dates are spread out to allow the children to focus on their other homework commitments at the same time.

Homework Piece 1 is due: Friday 4th October 2019

Homework Piece 2 is due: Friday 25th October 2019

Homework Piece 3 is due: Friday 15th November 2019

Homework Piece 4 is due: Friday 6th December 2019
