Rainbow Factory Trip

Dear Parents and Carers,

We are all looking forward to our trip to the Rainbow Factory. Mrs Lyon and myself have visited the Rainbow Factory and have risk assessed the premises and discussed the programme for our children to ensure we have the best possible experience. Due to the nature of the building and how secure the Rainbow Factory is, on this occasion we do not require any parent volunteers, as we are able to meet all staff / pupil ratios with school staff but thank you to those who did volunteer in case we needed extra adults.

On the morning of the trip classroom doors will open at 8.35am so please bring your child to class – as we need to be leaving at 9am.

We have checked with the bus company and booster seats are not required on the bus, however if you would like your child to have a booster seat we would ask you to come and fit the seat into the bus to ensure it is correctly fitted on the morning.

If you have any further question please speak to your child's class teacher.

We hope the children will enjoy the experience and have a wonderful time.

Kind Regards

Carole Kestell
