## Newsletter 14 Monday 9<sup>th</sup> December 2019

Dear Parents,

There are many events to look forward to over the next two weeks so please read this newsletter carefully to check for dates and times as there is a lot of information regarding the festive period. The KS1 Nativity is also on this week – tomorrow at 10.00am and 2.30pm.

### Class News

**FS1/FS2** – This week we have received a very special message from Santa. We have been busy replying to him with letters.

**Y1** – This week we have learnt about Lily and her showman.

**Y2** – This week we have been learning about habitats. We have enjoyed observing worms in our class wormery!

**Y3/4** – This week we have loved participating in a dodgeball tournament and a football tournament.

**Y5/6** – This week we were learning about conductors and insulators and we carried out a fair test to investigate different materials.

### Sporting Fixtures:

#### Year 3/4 Dodgeball

Well done to all the children in Year 3/4 who took part in the dodgeball tournament last week. Miss Bosomworth said that all the children played well and their behaviour was impeccable. Congratulations to Team 1 in Year 3/4 who won the tournament overall: Kaitlyn, Ewan, Oscar, Dylan, Kelsey and Kyra.

### Library Launch

We all had a super time on Friday with the official opening of our school library. Mr Matt Blyton, great nephew of Enid Blyton, came to school and led an assembly all about Enid Blyton and then officially cut the ribbon to the library! Children have started to bring home a library book each week which they will need to return to school the following week.

Your child's library day will be as follows:

<b>Reception</b>	Wednesday
<b>Year 1</b>	Friday
<b>Year 2</b>	Monday
<b>Year 3/4</b>	Tuesday
<b>Year 5/6</b>	Thursday

## Science Selfie Competition

At Dishforth Airfield primary school, we love Science! We want to share this with all of our school community so we have launched our 'Science Selfie Competition'! A poster has been sent home and put on Facebook – it shows all of the information you need to know for the competition. The children have been very excited to share all of their ideas for the different Science activities they could complete at home, ranging from seasonal walks where they can spot winter treasures through to slime-tastic experiments. The following web link provides some inspiration for some fun science activities you could complete at home. <https://www.sublimescience.com/free-science-experiments/>

To enter simply print or email your science selfie to the school admin with your name, class and a sentence about what you have done - the closing date for this competition is Friday 13<sup>th</sup> December. Prizes will be awarded for winning entries in Early Years, Key stage 1 and Key stage 2 in the final week of term.

## Christmas Card Box

The Christmas Card Post Box is up and running for the festive season. If your child would like to send Christmas Cards to their friends, they can post the cards in the box to be delivered round school. **Please can we remind everyone to write the year group number on the envelopes as well the child's full name**, thank you! Class lists of names were sent home last week – they are also available in the front entrance of school.

## Christmas clear-out!

If you are planning on having a clear-out before Father Christmas comes this month, please don't forget that we are always on the lookout for toys and resources for both indoors and outdoors in Early Years. Any donations that we can't use will be passed on to a local charity shop. Many thanks in advance!

## Christmas Parties

A separate letter will be sent home tomorrow with your child / children about the Christmas Parties that will be held on **Thursday 19<sup>th</sup> December**. Every class has their own party and party tea (this is in addition to their school lunch or packed lunch) and we ask for party food to be sent into school on the morning of the 19<sup>th</sup> December – the separate letter outlines what we would like you to send in. On the 19<sup>th</sup> December children are to come to school in their school uniform and bring their party clothes in a named carrier bag, they will get changed after lunch for their party.

## Emergency Procedure for School Closure

It is rare, however there have been occasions where it has been necessary to close the school because of inclement weather, no electricity or because of lack of heating, so I would like to bring to your attention the procedures I will follow if this event occurs:

- Mrs Kestell will put a notice on the school Facebook page
- County Hall will be informed.
- I will inform radio stations Century Radio and Stray FM.

Hopefully, this will not happen but I feel it's better to be prepared!

**Please assume school is open unless you hear via any of the above methods. Please do not phone the school to ask if we are open as we may need to keep the line clear in order to contact staff. Please check on the school Facebook page.**

## Makaton in school

We have a growing number of children in school who are using Makaton to support their communication. During assemblies, we are continuing on developing some basic signs.

This week we have chosen the sign for *Father Christmas*

Here is a link to the Makaton site. <https://wetalkmakaton.org/>

## Swimming – Year 1, 3 and 4

**Year 1, Year 3 and Year 4 children start on Wednesday 8<sup>th</sup> January.** Please ensure your child has swimwear, goggles and a towel (named). It is helpful if girls wear socks and not tights on swimming days. Due to the layout and number of cubicles at Thirsk swimming baths, some children need to share a cubicle in order to change before and after the lesson. If any parents have questions or queries about this then please don't hesitate to speak to Mrs Lyon.

The voluntary cost of getting to swimming will remain at **£3.50 each week**. Payments are to be made on your Parent Pay account.

## Earrings during PE, Sport and Swimming sessions

Please can we remind parents, if children have their ears pierced they must take out their earrings for P.E. lessons. Children are advised to take their earrings out before coming to school on the days when they have P.E. lessons or swimming lessons. We also advise that children get their ears pierced at the beginning of the summer holidays to allow for them to heal over the 6 week break.

## Music for Life

I am delighted to announce that the school are having a musical day with 'Music for Life' from Sowerby on **Monday 13<sup>th</sup> January**. This is an annual event in school and is always a fantastic opportunity for the children to hear professional musicians. The day will begin with a concert for the whole school and this year the musicians are Ruth Rosales and Ben Hudson who both play the bassoon. Following the concert there will be a workshop each for the older children (Year 3/4 and Year 5/6) who will then perform to the school at the end of the afternoon.

### **Emotion Coaching drop-ins with Mrs Dixon**

In school we use emotion coaching to support children to develop their emotional literacy and navigate problems independently. This approach is founded in research and has proven to be very effective at supporting children to regulate and recognise their own emotions and behaviours. Previously the whole staff team was lucky enough to receive training in emotion coaching from the North Yorkshire County Council Educational Psychology department which has been tailored specifically to support service children and the challenges they may face. We are delighted that we are able to continue to pass this training on to you. Mrs Dixon has run a successful programme for parents in the past and is happy to continue to provide 'drop in' support for anyone who feels that they might benefit from emotion coaching at home. The dates are listed below and all sessions will be held in the EYFS classrooms. All are welcome, if you have any questions or would like to arrange another meeting then please feel free to speak to Mrs Dixon at any point.

### **Emotion coaching drop-ins are scheduled on the following dates:**

Thursday 23rd January, Thursday 19th March, Thursday 14th May and Thursday 9th July

### **Cycling To and From School – Be Safe Be Seen!**

If your children are cycling to and from school please ensure that they wear a helmet and understand at least basic road safety. The road is narrow and busy so all users need to be aware of each other.

### **Parent Volunteers**

We always welcome parental support and help in school. If you feel that you may be able to help in school in any way such as: hearing readers, making resources, taking a small group for sewing or craft activities, please speak to your child's class teacher.

### **School Dinners update for December**

The price for dinner is £2.75 per meal (£13.75 per week). The cost for the month of December is £41.25 (for meals). Please ensure your Parent Pay account is up to date and we advise that credit is put onto the account at the start of each month.

### **Packed Lunches**

A polite reminder that there should be no sweets or chocolate bars in packed lunches or fizzy drinks. Also, we are a **NUT FREE SCHOOL**. We do have children with allergies to nuts so please refrain from any sort of nut products in packed lunches – thank you.

### **Parent Away**

Please do let your child's class teacher know if a parent is away from home so that we can offer additional support. Parent Away Club is run by Mrs Cunane on Thursday lunchtime and is available to children if they wish to attend.

### **30 Hours Funding for Nursery**

Please be aware of the deadlines for parents to apply for 30 hours funding if your child is currently in Nursery or will be starting Nursery.

For the Spring Term 2020 you must apply and have received your eligibility code before 31<sup>st</sup> December 2019.

For the Summer Term 2020 you must apply and have received your eligibility code before 31<sup>st</sup> March 2020.

### **Applying for a School Place for September 2020 – Moving from Nursery to Reception**

If your child was born between 1 September 2015 and 31 August 2016 they are due to start school in 2020-21. The primary school application round is now open and the deadline to apply is 15<sup>th</sup> January 2020.
