Newsletter 31 Monday 11th May 2020

Dear Parents / Carers,

I hope you all had a lovely Bank Holiday weekend and managed to enjoy the lovely weather on Friday and Saturday.

You may have heard the Prime Minister last night indicating that the government believes it may be in a position to implement a phased re-opening of schools from the 1st June starting with pupils in reception (FS2), year one and year six. This is part of the government's conditional plan which it says will remain under regular review.

Like you, I have only seen the announcement last night – schools and Local Authorities do not get any prior knowledge of any detail in announcements so this is new information for everyone. I am sure that you will have a range of questions about this and at this stage I may not be able to answer them. Schools are waiting to receive more information from government about what this means for them. In the short-term, however, nothing has changed and I will provide further information in the coming days once I am able to do so.

If you do have any questions then please either email admin@dishforthairfield.n-yorks.sch.uk or use the class email addresses below and the teachers will pass your queries onto me. I can then incorporate the answers to these questions in forthcoming communication between school and home.

Class email addresses

Please be assured that any queries or questions you have regarding the work for your child / children will be answered through class emails by the teachers. It is lovely to see the photographs of the children and their work, so please keep in touch with us as we will with you. Teachers will be available to reply and send emails between 9am – 3.30pm Monday – Thursday this week.

Work packs

New work packs will be delivered by post next week to start on Monday 1st June. When children return to school please send the pack in with your child.

Year 6 transition to secondary school

Year 6 children and their families have been contacted by Miss Newton regarding secondary school placements for September. The secondary schools are getting in touch with us to outline their transition arrangements for Year 6 children and these have been and will be passed onto families as soon as we are made aware of what they are.

Changes in circumstances

If there are any changes in your family circumstances which I need to be aware of such as children's health, details around postings, changes to parent working patterns etc, then please contact me via the following email address:

New Mental Health website

New mental health website for supporting children and young people.

This new website is dedicated to helping children and young people find mental health support in North Yorkshire. [The Go-to](#) is a portal or 'single point of information' for mental health support services offered by different agencies in the county. With lots of useful tips, information and signposting the site has specific 'young person', 'parent/carer' and 'professional' tabs for easy navigation.
