## Newsletter 28 Monday 26<sup>th</sup> April 2021

Dear Parents / Carers,

We have been lucky to have another beautiful weekend with regards to the weather and I hope you had a lovely couple of days. Sadly, the sunshine looks like it is leaving us for a while so please ensure your child has a coat with them this week and also just a reminder that school is closed next Monday for the Bank Holiday weekend.

### Welcome

A very warm welcome to Kai, Evie and Izzy who have started at Dishforth Airfield Primary School in Years 5, 3 and Reception.

### Class News:

**EYFS:** This week Early Years have been thinking about why the jungle is a good habitat for monkeys and other animals as well as what features a monkey has that help it to survive in the jungle. We have been really impressed with the effort everyone has put in with their work this week.

**Year 1/2:** This week year 1 and 2 have been learning all about Wilf the Wolf and how he wanted to be brave and strong... but wasn't! We have been learning to half and quarter using playdough and different counters and equipment. We are learning to be resilient in everything we do and have practice these skills whilst learning a new sport in PE called Boccia.

**Year 3/4:** This week in year 3/4 we have started our brand new whole class reading book, 'Krindlekrax'. We have enjoyed finding out about some of the main characters and have written our own character descriptions in literacy. We have also enjoyed learning the names of some American States and locating them on maps in our Geography lesson.

**Year 5/6:** This week in year 5/6 we have started our science topic which is all about living things and their habitats. We learnt about the different parts of a flower and how the pollen is transported from one plant to another. We also looked at biomes in our geography lesson and found out about the different plants and animals that live in these biomes and how the climate connects them.

### Class Clubs

Class clubs are available for this term. Teachers sent out a letter last week for the children to sign up to. Below is the date the club starts:

- Reception club – Monday 10<sup>th</sup> May
- Year 1/2 - Sporting Start Tuesday 4<sup>th</sup> May
- Year 3/4 – Monday 10<sup>th</sup> May
- Year 5/6 - Monday 10<sup>th</sup> May

### School Dinners April

The price for dinner is £2.75 per meal (£13.75 per week). The cost for the month of April is **£38.50**. Please ensure your Parent Pay account is up to date. It is possible to put credit onto the account to help with budgeting for the month!

### Packed Lunches

A polite reminder that there should be no sweets or chocolate bars in packed lunches or fizzy drinks. Also, we are a **NUT FREE SCHOOL**. We do have children with allergies to nuts so please refrain from any sort of nut products in packed lunches – thank you.

### Parent Away

Please do let your child's class teacher know if a parent is away from home so that we can offer additional support.

### AWARDS

**Celebration Assembly**  
On Friday, we have our Celebration Assembly. This week the following children were given our weekly awards;

**Celebration Cup**

This week the cup goes to someone who always puts a huge amount of effort into their presentation of their work. They always try hard and are doing their best to improve all of the time.

They are helpful in class and always make good choices. Early Years is lucky to have this person in their class.

Well done, Seona!

## Ribbons

**EYFS** – The ribbon this week goes to someone who has been trying their very best to listen and make good choices. The whole class is very proud of the effort they have made. Well done to Junior!

**Year 1 / 2** – This week the ribbon goes to someone who always has a smile on their face. They have settled into our class perfectly and has been working really hard to complete all the learning. We are so proud of you and love having you in our class. Well done, Ethan!

**Year 3 / 4** – This week the ribbon goes to someone who has been a reading superstar! They have worked really hard to read their red and green words this week. Well done to Harry M!

**Year 5 / 6** – The ribbon this week goes to someone who has been working hard to secure their fraction knowledge. They have persevered throughout the fractions unit and have made super progress! Keep it up! Well done, Alyssa!

I hope you all have a super Bank Holiday weekend and we shall look forward to seeing the children on Tuesday 4<sup>th</sup> May.

Kind regards,

Mrs Julie Lyon, Head Teacher
