Great school, well managed and friendly staff members. My child is progressing well in school. Thank you for helping my child grow each day.

My only issue with the school is the lack of consistency with Parentpay and paying for wrap around care. The system seems to be updated sporadically and some weeks there is no charge added and then others a large lump sum that has been back dated. It makes monthly / weekly budgeting difficult. Other than that I cannot fault the school or the staff in any way – you are doing an amazing job so thank you!

Great work by everyone involved with my child and many thanks for the extra effort with their language needs.

Would benefit from having an interactive App to follow our child's learning diary and to communicate on a more frequent basis ie weekly / monthly.

I feel that any concerns or issues are dealt with immediately and staff are always welcoming and approachable.

I feel my child has come on lots since starting here at Dishforth Airfield.

Overall very happy with the quality of teaching and the running of the school.

Fantastic school with professional and friendly staff. Awesome class teacher and very pleased with my child's progress. Thank you for supporting my child.
