

Paired Reading

- Paired reading takes the pressure off the child and can help to build their confidence.

Reading with your child

5 minutes, 5 times a week will make a huge difference.

Before reading:

- Find a place that is:
- Quiet
- Comfortable
- Where you can sit side by side
- Also, agree on a signal that the child will give to indicate they want to read alone (such as knocking on the table)

Prepare the book

- Talk about the title
- Look at the picture
- Ask the child what they think the book is about/recap so far

Pause, Prompt, Praise
