

Group 2 Homework 12.01.24

Spelling and maths tested on: Friday
19.01.24

Other task: Wednesday 17.01.24

Please practise your spellings using your
spelling journal.

Mental maths homework:

5.7 Know by heart all multiplication and
division for 6 x tables.

e.g. $6 \times 6 = 36$

$42 \div 6 = 7$

$11 \times 6 = 66$

$18 \div 6 = 3$ etc

Times Tables Rockstar practise.

We have been working on division and using facts that
we know already to help us divide 2 digit numbers:

For example, to work out the calculation $39 \div 3 = ?$

We can share the number using a place value chart

Tens	Ones
●	● ● ●
●	● ● ●
●	● ● ●

And we know:

$3 \times 3 = 9$ and

$3 \times 10 = 30$

So $39 \div 3 = 13$

1) $48 \div 4 =$

Tens	Ones

3) $62 \div 2 =$

Tens	Ones

2) $69 \div 3 =$

Tens	Ones

You will need to do an exchange
in this one!

4) $72 \div 3 =$

Tens	Ones
