Mental maths homework

Times tables practise.

Practice all your 3 times tables from 0 x 3 to 12 x 3 so that you can say the answer in less than 5 seconds.

Remember to use Times Tables Rockstar at home too!

Don't forget to read your reading book! Remember those who read 5 times or more in a week get a prize!

Measurement Activity

Find pairs of objects around you to compare, holding them in your hands work out which is the lighter of the two and which is the heavier. (You don't need get the scales out)

Make a list of the objects you compare and what unit you would use to measure them (grams or kilograms?).

	Heavier	Unit g/kg	Lighter	Unit g/kg
Pair 1				
Pair 2				
Pair 3				
Pair 4				

Challenge: Can you find two objects that feel equal to each other in weight?
