## Light or Heavy?

Tick the object that is heaviest.

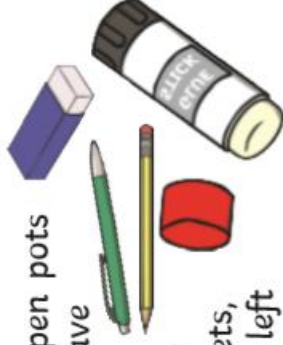

## Clean the Classroom

We must clean our classroom so that it is neat and well kept.

First, we will check that all of the glue sticks have a lid on them so that they do not go hard and crisp.

Then, we will clear out our pen pots to check that they do not have bits of rubbish in them.

Last, we will check our trays and take home all of the sheets, books and toys that we have left in there.
