half past 12

## Pete's Silver

Pete sails the seas and looks for silver!  
His ship is called The Silver Finder and he has a crew of five shipmates.  
Philip is the cook. He likes to make meat pies and stew.  
Prue is the lookout. She scouts out new spots to dig for silver!  
Roy cleans the deck and Floyd helps in the galley.  
Paul is a bird. He squawks all day long.  
The shipmates have not found the silver yet.  
Will X mark the spot?

## Read Together Quick Questions

1. What is Philip's job on the ship?

---

2. Why do you think that Pete named his ship The Silver Finder?

---

3. Sum up the crew on Pete's ship using 20 words or fewer.

---

---

---

4. What would you like to find out about Pete and his ship? Write a question.
