Reveal answer

**+ and -**

Reveal answer

**Reasoning**

Alison has grouped some shells into groups of 2 with none left over.

I have 16 shells.

Is Alison correct?  
Explain your answer.

Reveal answer

## Home Alone

My name is Spoon and I am a pug.  
I am home alone in the daytime. My owner goes out and it is time for me to have some fun. I like to jump on all of the beds. I drink from the pond and eat the slippers. Sometimes, I like to chew up all of the tissues in the box. I slide down the stairs on my tum. Then, I run back to my bed when I hear the key turn in the door.

## Read Together Quick Questions

1. What type of dog is Spoon?

---

2. What is Spoon's favourite thing to do when he is left alone?

---

3. Find and copy a word that rhymes with **hide**.

---

4. Number the events from 1 to 3 to show the order that they appear in the text.

I drink from the pond.

I slide down the stairs.

I liked to jump on all of the beds.
