| In order for staff to help your child, please let us know any triggers that may set off the Asthma: | | |

Doctor Information

Name of Doctor (if known)

Address

Telephone Number

If your child should need to be taken to hospital, an ambulance will be called and, if parents are not available, a member of staff will accompany and school will phone the parent/s to meet the ambulance at A&E. The member of staff will stay with the child until a parent arrives. Health professionals are responsible for any decisions on medical treatment in the absence of a parent.

Staff will not take a child to hospital in their own car unless it is an absolute necessity.

First Aiders

We have trained first aiders on site at all times throughout the school day who are aware of the most common serious medical conditions at this school.

Asthma

If your child suffers from Asthma please ensure your child has an inhaler in school.

Medication

If your child needs to have prescribed medication at any time during the school day, you are quite welcome to come into School to administer it or complete a medication consent form (Entrance area).

I understand that my child will receive emergency medical treatment if appropriate.

Diversity - We are very lucky here at Dishforth Airfield Community Primary School that we have children who are from the length and breadth of the country, and the world. We like to celebrate the diversity and roots of where the children have come from with a display in the hall. If you have a new child to the school, we would be very grateful if you could fill in the attached slip to let us know where you consider your roots to be so that we can add your child to the display.

Name of area/county/country you consider your roots to be:

About your child

Please provide any other information which will help us to get to know and understand your child.
