

Year 1/2 Curriculum Newsletter

Summer 2026

Welcome to Year 1/2— we have lots of exciting learning planned for

History

In history this term we are going to be looking at seaside holidays in the past and finding out about why Grace Darling is a significant figure.

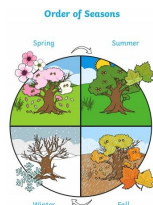

Geography

We are going to looking in more detail at seaside and costal locations. We will be finding out about human and physical features of coastal areas and making comparisons between different locations and the Airfield

Science

In science, in the first half term we are learning about the four seasons and seasonal change and then we are going to be finding out about plants and growing.

Art/DT

We will be learning to paint using watercolours. We will be studying and getting inspiration from the artist Edgar Degas.

In DT we will be exploring food and how to peel, cut, grate and slice a selection of fruit and vegetables.

English

We shall explore a range of text types this term including stories in based on our topic. We will be exploring a range of characters and settings, we will continue to practice our phonic, reading and writing skills.

Mathematics

This term we will be learning about fractions, time, position and direction and statistics.

We will also be developing our problem solving skills and recognising the most effective methods when problem solving.

PE

Our PE day will be a Tuesday and Thursday. Tuesday— Striking and Fielding with Sporting Influence Friday— Games and Athletics

Please ensure you have full school PE kit in school for being outside in all weathers— including sensible footwear and a tracksuit to keep you warm!

RE/PSHCE

In RE we will be learning about what Christians believe about God and the miracles he taught.

In PSHCE we will be learning about Health and Wellbeing. The children will be encouraged to express their opinions within a debate and learn how to take on additional responsibilities. We will also start to plan for the transi-

Computing

In computing this term we are focusing on programming using Scratch Junior

Homework

- Please read with your child daily and record in their reading record. Children will need to complete one piece of topic / project homework per week (right hand side of the grid)
- Children will need to practise the key spellings & key maths facts (left hand side of the grid)

Music

We will be using our imagination to develop our music appreciation skills and continuing to learn how to play the glockenspiels.
