You will need to choose one activity per week from this side of the grid. You only choose two from this area.

 History	Interview someone in your family about growing up	What toys and games did your parents play with when they were younger?	Find out about outdoor games that children played when your parents were young.
 Music	Listen to your favourite music and create your own dance.	Make your own musical instrument and play a tune.	Can you make up your own piece of music using objects you find at home.
 Geography	Go for walk around the airfield. Take a notebook and make a list of the different things you can see and hear	Draw a sketch map of your house or your garden	If you go out in the car, see what human and physical features you can spot
 DT	Use junk modelling to create a sculpture in the shape of a flower. Position it in your house or garden and take a photograph – email it to admin@dishorthairfield.n-yorks.sch.uk	Practice sewing with a grown up.	Can you make a model using spare pieces of fabric, wool and anything else you can find to embellish it.
 Science	Seasonal Change- what have you noticed about the weather? Design an outfit to match the weather?	Investigate pushes and pulls in your house and draw and label pictures to show what you have found out	Make a fact file about your favourite animal. Try to find out as much as you can about it including what it eats and what its habitat is like
